16th March 2017

Dear Parent/Carer

Luton Food Bank Collection – Wednesday 22nd March

As I am sure you will have seen on the news, ASDA in Stopsley has suffered quite badly from a fire and as such will be closed for a considerable amount of time.

This and other supermarkets are main contributors to the Luton Food Bank and the closure of this store has badly affected donations.

The Food Bank is in place to assist hundreds of individuals and families who have experienced a crisis of some sort or are just in need of a little extra help.

We would like to be able to help in this time of need and if you can donate please send food to school with your child on the above date.

A handy shopping list is included overleaf which lists the items that would be most beneficial.

In addition to this we will be opening our Board Room on the morning of **Wednesday 22nd March** and holding a food collection and coffee morning for parents and the community if anyone would like to donate anything extra.

Many thanks for your continued support.

Yours faithfully

Miss Tammy Hind
Community Cohesion Manager
The Chalk Hills Academy
