Dear Parent/Carer

Year 11 Achievement Evening – Tuesday 27th September 5 to 7pm

I have the great pleasure of welcoming your child to Year 11 following what I hope was a lovely summer.

We have had a busy initial week and I am delighted to tell you that Year 11 have settled down well and all members of staff have been impressed with their positive attitudes and motivation for learning. They have been a credit to you and themselves.

I am keen for us to work together to ensure that your child gets the very best support and achieves beyond expectations, securing their place in further education. I am therefore inviting you to a Year 11 Achievement Evening on Tuesday 27th September, from 5.00 to 7.00 pm. The keynote presentation will start at 5:30pm in the main hall.

During the evening we will talk to you about what this year will bring, how we will support your child and how you can support them at home. We believe it is really important for students to fully understand their current position and how to progress; to that end, you will receive your child's current GCSE and BTEC predictions. We will also provide each student with a bag of important information such as deadlines for coursework and controlled assessments; important dates for Year 11; top tips for learning and a few goodies.

In addition, members of staff from each subject area, including the Senior Leadership Team will be available to answer your questions prior to the main presentation and for a short while after. A representative from our Sixth Form will also be present to discuss further education opportunities.

I look forward to seeing you at this important evening.

Yours faithfully

Mrs Charlotte Linehan
Associate Vice Principal
Progress & Attainment
